Still need a flu vaccine?

According to the CDC, the best way to prevent the flu is to get a flu vaccine! Call today to schedule your flu vaccine at one of our convenient flu clinics. Help prevent the spread of the flu by covering your nose and mouth when you cough and sneeze. Wash your hands often and stay home if you are sick.

Roswell Pediatrics is pleased to announce that we have achieved recognition as a Patient Centered Medical Home through the National Committee for Quality Assurance (NCQA). We are very excited to have achieved this prestigious national recognition. We will continue to strive to provide your family with the highest quality of medical care.

Thank you to all of our patients, parents and staff for all of your generous donations to our Coins4CURE fundraiser. Together we raised $5,038 to help support CURE Childhood Cancer. We had so much fun with our slime contest! Thanks to Dr. Guthrie, Dr. Klopman, Dr. Eaton, Ms. Terry, Christa and Debbie for being great sports and letting us slime them!

Help us to make your appointment run smoothly.
Take advantage of Pre-check with Phreesia at home. This allows you to complete our forms from the convenience of your computer, tablet or smartphone. This is a great time-saver! If you cannot pre-check at home, we request that you please arrive 15 minutes before your appointment to complete your Pre-check.

Thank you again for voting us the Best Pediatrician of North Atlanta!

Our providers and staff take great pride in offering outstanding care to our patients and to their families. We are honored by your support of our practice as we continue to serve families in our community.

We are happy to once again be a part of Clark's Kids this year. This organization donates toys to children and youth in Georgia's foster care system. If you would like to help make the holidays brighter for these kids, please bring a new unwrapped toy to any of our offices between November 1st - December 9th.
